## QUALITY POLICY STATEMENT

Kenya National Highways Authority is committed to Develop and Manage Quality and Adequate National Trunk Roads through Innovation and Optimization of resources for Sustainable Development.

In pursuit of this, the Authority shall satisfy applicable requirements and continually improve the effectiveness of the Quality Management System in accordance with ISO 9001: 2015. We shall also ensure QMS is integrated in our business processes and promote the use of the process approach and risk-based thinking.

Top Management shall review this policy on a need basis and as necessary based on the circumstances and quality objectives on an annual basis.

This quality policy which is compatible with the context of KeNHA is communicated, understood and applied within KeNHA and is available to relevant interested parties as appropriate.
